

Summary of Google Workspace Plans and Pricing

Google Workspace; Licensing and Features Summary

Google Workspace- formally G Suite- now packs integrated Workspace designed to be and functions in a way that is truly helpful. Imagine technology that is so seamless and intuitive that it feels invisible, but anticipates our needs and augments our work so that we can maximize our time. Similar to G Suite, all Google Workspace plans provide a custom email for your business and includes collaboration tools like Gmail, Calendar, Meet, Chat, Drive, Docs, Sheets, Slides, Forms, Sites,
